

Editors' Acknowledgments

Editors' Acknowledgments

The Editors would like to express their appreciation to the Editorial Board and the Panel of Advisory Editors for their advice and help in producing this Volume 5, Issue 2 of Tuning Journal. Particular thanks are due to the Managing Editor who oversaw this whole Issue in relation to production of both print and electronic copy and was a constant source of help and encouragement. Finally, we would like to offer our sincere, warmest and heartfelt thanks to those listed below who gave of their time and wise expertise to assist with the reviewing process. We are grateful to all of them and particularly to those, who suffered from adverse technological situations or generously reacted to pressing time conditions.
