

Editor's Acknowledgements

The Editor is very grateful for the warm welcome she has received from the Editorial Board and the Panel of Advisory Editors who have helped in the production of Volume Seven, Issue 2. Some of the articles in this edition were 'launched' by Professor Luigi. Donà dalle Rose and Dr Anna Serbati who continue to offer their invaluable advice. Particular thanks are due to Ladislav Bizimana our patient Managing Editor, who has supervised the overall production of the Journal, by supporting authors and editors in the process. Finally, I would like to thank the professors, scholars and colleagues listed below who devoted their time and expertise to assist with Assistant Editorship and/or the reviewing process of this Issue.
